

**“If you’re 50
or older,
you should be
among the first
to get a flu shot
every year.”**

**The flu kills
36,000 people
each year.**

**Stay healthy
and strong.**

Get a flu shot.

**For more information about influenza
and the influenza vaccine, visit**

www.cdc.gov/flu or call

800-CDC-INFO (800-232-4636).
